

SECURITY – HEALTH & SAFETY SOLUTIONS S.A.

"The key to our success is
to move from
traditional guarding
to
complete security solutions"

Our Vision

From traditional guarding to combined security solutions

From Basic and Specialized Guarding, in which we tailor our services to industries' and customers' needs, we add technology to optimize our Guarding Solutions, and that in order to offer Combined Security Solutions. Those High Value Integrated Solutions are upgraded with Security Management which englobes Risk Analysis, Investigations, Organization and Processes, and are enlarged with Fire and Safety Solutions. Our flexible market and business approach is worldwide proven by investments, acquisitions and partnerships.

Services provided on Security Management
