

Certified Partner Program

DELIVERING SERVICES TO SECURITAS CLIENTS

NEOS

Has successfully achieved Securitas' Certification status in:
GREECE

NEOS

will provide services to Securitas' global clients in accordance with the standards and objectives of both Securitas, its clients and the terms of the Certified Partner Program.

It shall however be noted that:

NEOS

do not represent or are part of the Securitas Group of companies.

Securitas is a global leader in security and provides intelligent protective services across the globe.

Securitas operates a Certified Partner Program in countries where it is not present.

Partners are selected for a term of three years after rigorous and extensive due diligence which confirms

their adherence to governance and capability to deliver services to the requisite standards.

The certification is subject to regular review and re-certification.
